

Lutheran High School of San Antonio  
Service Hours Record

Lutheran High School believes it is beneficial for our students to follow Jesus Christ's example of servanthood. As a requirement for graduation, students must complete volunteer service hours in the community. After completion of the job, the student and the supervisor of the activity need to fill out this form in order for the student to receive service hours credit. Please return this form to the LHS Service Hours Coordinator.

Student Name:

Organization/Person Being Served:

Student: Describe the work you did.

Printed Name of Supervisor

Position

Signature of Supervisor
